EX REG 64-8092

25 YEAR RE-REVIEW

MEMORANDUM FOR: Director of Central Intelligence
SUBJECT: Audio Surveillance and Countermeasures
Problems within the U.S. Intelligence
Community
REFERENCES: a. NSAM 317
b. Acting DCI Memorandum to Mr. McGeorge
Bundy dated 23 September 1964, subject
as above

1. This memorandum contains recommendations for your action; these recommendations are contained in paragraph 2.

2. The following are proposed for your action, pursuant to the authorizations contained in NSAM 317 and in accordance with the recommendations contained in reference b.:

a. That you propose to the United States Intelligence Board the formation of a Technical Surveillance Countermeasures Committee of the USIB to consist of representatives of CIA, DIA, State, FBI, Army, Navy, Air Force and NSA and to be chaired by Mr. Thomas R. Karamessines.

b. That you propose the establishment of an Audio Countermeasures Subcommittee subordinate to the above Committee, with membership consisting of representatives of CIA, DIA, State, FBI, Army, Navy, Air Force and NSA, to be chaired by the representative of the Department of State.

*DCI verbally approved distribution
for USIB consideration

SECRET

c. That you propose the establishment of an Audio Countermeasures Research and Development Subcommittee with membership consisting of representatives of CIA, DIA, State, FBI, Army, Navy, Air Force and NSA, to be chaired by Mr. Robert Chapman acting as the CIA representative.

3. Attached is a proposed charter for the new Committee and for the two Subcommittees.

4. The Clandestine Services and the Office of the ID/S&T are jointly establishing procedures with the DIA and with the FBI for coordination of research and development of audio surveillance equipment and techniques, pursuant to paragraph 2.c. of NSAM 317.

5. The Clandestine Services will work with the DIA to establish procedures for consultation pursuant to paragraph 2.d. of NSAM 317. When agreed upon, these procedures will be communicated to field installations as appropriate.
